DETAILED ACTION

Priority

1. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Information Disclosure Statement

2. The information disclosure statement filed 10-26-04 has been considered.

Allowable Subject Matter

3. Claims 1-20 are allowed.
4. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or suggest a RAM memory with a shared SA structure, comprising: isolation transistor pairs for connecting sense amplifiers and at least one of a plurality of bit line pairs of respective adjacent memory cell blocks in response to a connection control signal; wherein the sense amplifiers are arranged in each case jointly for at least four bit line pairs of the adjacent memory cell blocks, such that each of the bit line pairs is assignable to a respective sense amplifier to be connected to a different memory cell in the respective cell block by means of word line signals fed via a common word line.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
